

trust is the currency of participation

Arnold Voss – Office for the Art of
Planning - OFAP

the power of solution

versus

a solution by power

**dispowerment
by
empowerment**

balance of power

by

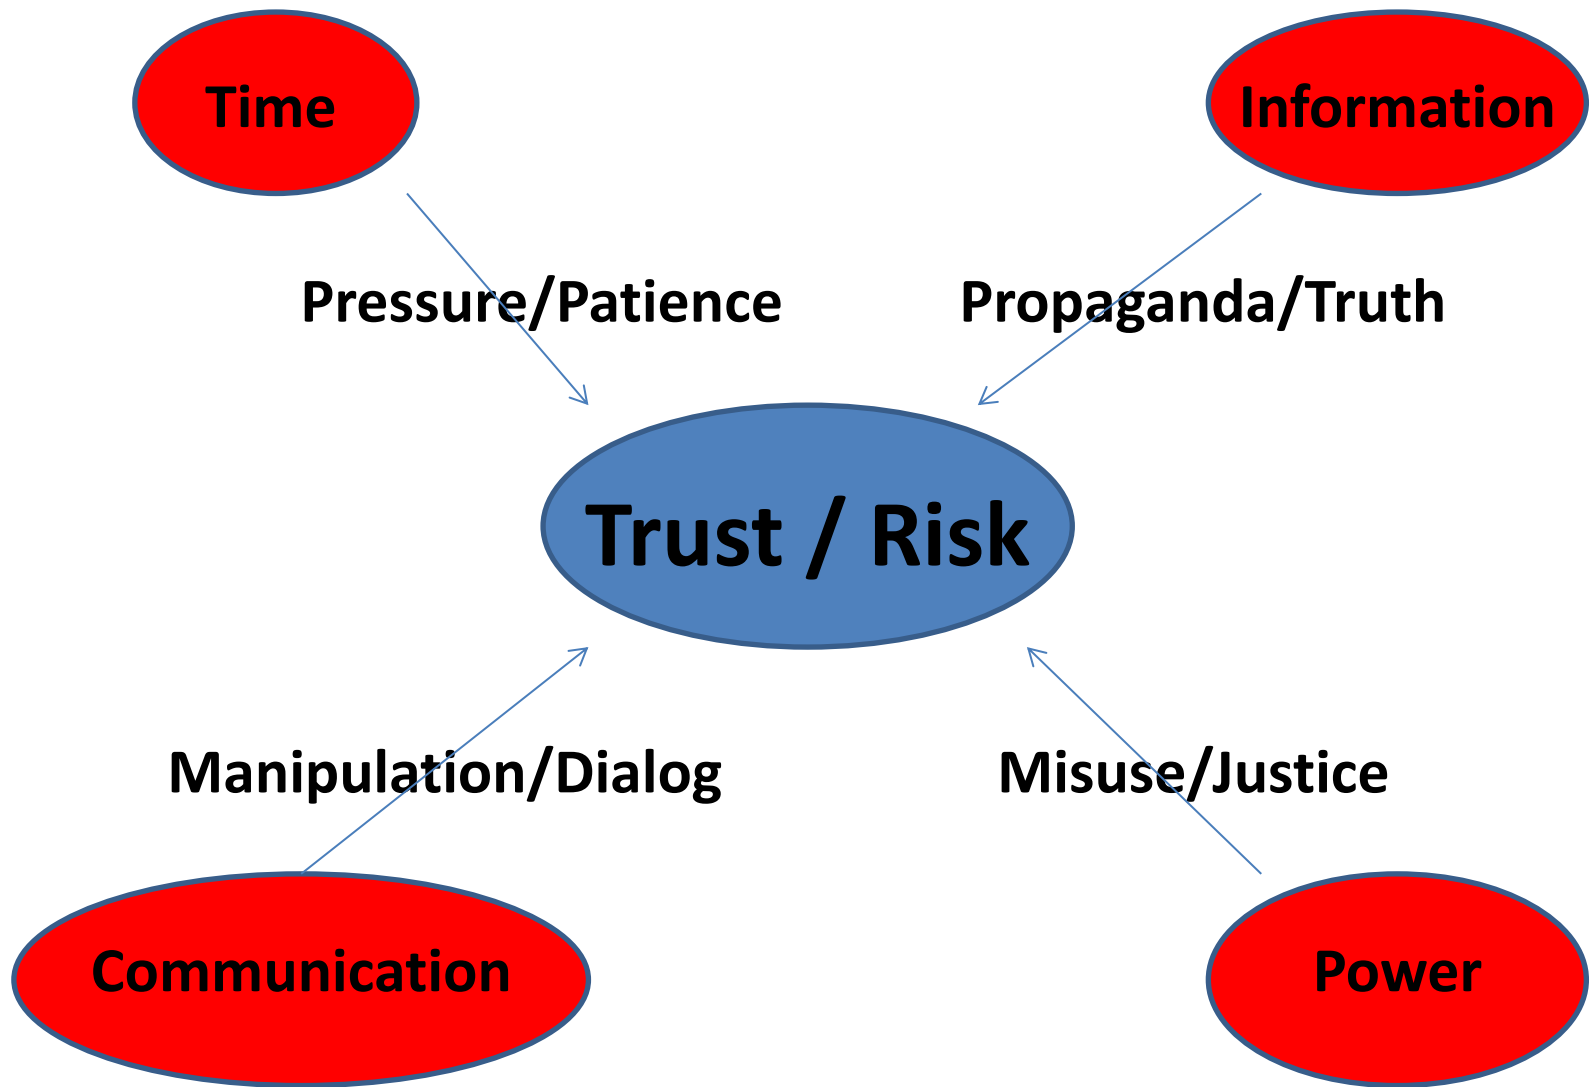

rebalance of information

as much cooperation as possible

means

as little confrontation as necessary

there is
no cooperation without
TRUST

Trust is the currency,

Truth is the Investment

Toughness is the price of

PARTICIPATION

Frank Delano Roosevelt

32. President of the USA

**„Do what you can,
where you are, with
what you have.“**
